

Icon Glossary for My eBay

My eBay includes many icons for helping you quickly view the status of listings, transactions, messages, and feedback.

Tip: If an icon has a bubble around it , you can click on it to perform the action.

Note: In some cases, an icon has both a blue state  and a grey state . The blue state means the action has been performed; the grey state means the action has not yet been performed.

The following is a list of the icons in My eBay:
