** ~~~~~ **

Because there have been some bad apples out there, here are the rules to my auctions. Sorry but this how it has to be.

First off, my number one goal is making sure you are happy with your transaction. All items are described to the best of my ability. I work very hard at describing each item to a "T"! So if something is unclear please ask! Additional pictures are available upon request. Please feel to e-mail your questions to me at vivienne.porter@comcast.net

SHIPPING AND HANDLING

- **Buyer to pay actual shipping.** Weight is included on the eBay calculator for you to calculate your own shipping. International bidders please e-mail me for shipping costs before bidding, so there are no surprises.
- **Insurance/Delivery Confirmation** if an item is marked with "insurance optional" then the RESPONSIBILITY for loss or damage is on the BUYER. Insurance is offered at current USPS rates. Fragile items will be marked with "insurance required" as needed. Should an insured item need a claim please keep, the original box all packing materials and the item; including all broken pieces. All pay outs will come from the Insurance Claim not the seller. All responsibility for the proper processing of the insurance claims falls on the buyer. Should any component be missing that causes the claim not to be process will result in no payout from the seller for the insured amount. So, please keep the original box, all packing materials and the shipped item to present to the shipping company should a claim be necessary.
- **Delivery confirmation** is also available for \$0.55. If you want delivery confirmation please make sure to specify this with your payment. The seller is not responsible for lost items should they not arrive.
- **Priority, Express or Overnight Shipping** is also available upon request.

PAYMENT INSTRUCTIONS

I accept PayPal, Money Orders & Personal checks. All payments for auctions must be received no later than 72 hours after the close of the auction. Should the 72 hours elapse after the end of this auction you will have forfeited this auction and it will be offered to the next highest bidder. If paying by Money Order or Check please notify me that you are doing so by e-mail at vivienne.porter@comcast.net. When paying with a personal check or money order your item will not ship until 5 banking days have past after the deposit of your check. This is to insure that all funds are cleared before shipping. Money orders will be treated the same as personal checks due the circulation of counterfeit money orders. All checks & money orders must be received with 7 days after the close of this auction. If the check is not received by this date you have forfeited this auction and it will be offered to the next highest bidder. See non-paying bidder policy below.

SHIPMENT CONFIRMATION

You will be sent an e-mail after your purchase has actually shipped. We ship three-four times a week; if you pay with PayPal, there may still be a 1-2 day wait for shipping as per the schedule just mentioned. We take great care when packing items, and do not charge any additional packing or handling fees unless specifically stated in a listing and then only for additional required packing materials only.

NON-PAYING BIDDER POLICY

Due to the high number of non-paying bidders please contact me first before bidding if your **feedback number is less than 10**.

Please read the auction description carefully and bid responsibly! If I am unable to establish contact with the high bidder within three (3) days from the end of the auction, the following will occur:

- Negative feedback will be left for non-paying bidder
- An **Unpaid Item Dispute** will be filed with eBay which may ultimately lead to indefinite suspension of your eBay account.

ALL bidders must have a valid e-mail address on file with e-Bay. By bidding on this auction, you are entering into a binding contract and acknowledge that you have read, fully understand, and accept the terms of this auction.

We reserve the right to re-list this item should the terms of the listing not be met. We have a terrific reputation as fair and honest sellers, and want to make every transaction a good one!

Thanks for looking and happy eBaying!
